2018 Monroe County Soil & Water Conservation District Mini Grant Application **Updated May 2017**

If your application is chosen for funding a representative of the Monroe County SWCD will be in contact with you to schedule a site visit of the property to evaluate the conservation concern that funding is being requested for. At that time you will be asked to schedule a meeting to sign an official agreement with the SWCD which will state the time limit for project completion and that the funds will be reimbursed at 75%/25% rate based on receipts provided up to a maximum of $2000 per application/ project. All funds will be reimbursed after the completion of the project and once a finale site review has been completed.

REQUIRMENTS TO APPLY - FOR YOU APPLICATION TO BE CONSIDERED IT MUST MEET/HAVE THE FOLLOWING:

- ***Project property must be outside the City of Bloomington (1 project, per property, per year is allowed)***
- ***Include a minimum of 3 pictures, showing various angles of the area of concern.***
- ***Provide a written detailed explanation of how this project will improve soil health and protect water quality, the more detailed the better.***
